Dear Mr. Shahpazian:

The conditions laid out in your December 12 letter concerning license arrangements for UNIX are quite acceptable to us. Further, our hardware configuration is more than adequate.

Please send me the appropriate forms as soon as possible. The address of the data centre will be:

Computer Science Department
Room 139 M.E.M.P. Building
University of Manitoba
Winnipeg, Manitoba, Canada.

We have heard good reports on UNIX and are very excited about using it.

Sincerely,

R. Collens
Associate Professor
